“ I was 18 when I met Doreen. It was the summer after I graduated from high school. I was babysitting for my friend, Becky, when she asked if I could babysit for Doreen as well. I agreed. I spent the summer watching Greg (9 yrs.) and Stacey (9 mo.- 12 mo.) while Doreen worked the afternoon/night shift at McKee. I loved that summer! Doreen asked if I would go with them to Ohio so I could help drive. I was super excited about a road trip without my parents! Along the way Doreen coached me on my driving skills. I'm sure I became a better driver because of her. She helped me move into my college dorm when I started at John Brown University, in the fall. We stayed in contact on and off throughout my college years. I loved it when I could see Doreen and the kids. Stacey was my special buddy! I eventually ended up going to the same church as Doreen, so I got to see her there. Any time I was with her she always had a quiet and kind spirit. She encouraged me so much during those years. I lost touch with her after I got married and moved to Oklahoma, but I've thought about her, the boys, and Stacey often. Now that I am at the point where my children are leaving home and going to college, I see what a gift Doreen was for me at that time. God placed her in my life to teach me to remain calm in craziness because Christ is our peace, to be tough when life gets hard because God has it all under control, and we can trust Him through it all. - Cindy (Kinsman) Gunsaulis
