“ I loved Opal. She was full of grace and kindness. I loved her sweet spirit, her quiet strength, her sense of humor, and the twinkle in her eye. Oh, and her best-ever, over-the-top peach ice cream.

“ I was so sad when I read of dear sweet Opal's passing. She was a very close friend with my mother, Annabelle, while living in Innisfree. She was a special lady. I hold you in you all in my heart and prayers.

“ She has been such an important part and a quiet presence in this sprawling Kaufman family. She was full of grace and kindness. I loved her sense of humor, the twinkle in her eye . . . and her peach ice cream! How I will miss her!

“ We want to extend our sympathy and celebrate a life well lived. The announcement caught my attention because of the name 'Setser'. My mother's sister was married to Clarence Setser so we have a connection.
