

Viola Fern Glasscock

November 28, 1921 - December 29, 2020

Viola Fern Glasscock, 99, passed away on Tuesday December 29, 2020 at Circle of Life Hospice Home in Springdale, AR. She was born on November 28, 1921 near Cuerval in Guadalupe County, New Mexico. Fern touched the lives of so many in her 99 years, and served God faithfully all throughout her life. She never wavered in her faith, and shared the love of Jesus with everyone she met. What an amazing legacy she leaves behind for us to carry on.

She was preceded in death by her parents, 6 siblings, husband Eugene Glasscock, daughter Carol Dean Ballenger and husband James, and grandson Jimmy. She is survived by one daughter, Janet Wilcox and husband Kirk of Colorado Springs, CO, granddaughter Marla Ballenger Connett (whom she raised from the age of 9) and husband Jeff of Tulsa, OK, grandchildren Kirk Lynn Wilcox and wife Kathy, Andrea Wilcox, great-grandchildren Allison Connett, Brandon Connett and wife Savana, Alexis Wilcox, Blake Wilcox, and Aiden Wilcox.

Fern would like to thank those who touched her life, those who cared for her in the last few years, Gloria Truman, Marsha Smith, Dianna Myrick, Mary Howarth, and those who encouraged and visited her when she could not get out any longer.

Fern would want her family and friends to keep on living as she lived...love and serve God with all that is within you, share your God given talents with others, give until you have nothing to give, and live each day as if it were your last. Our countless memories become stories that we will continue to share until we see her again...all of our lives were changed for the better because of Fern. Heaven is indeed sounding sweeter all the time.

Visitation will be Saturday January 2, 2021 at First Assembly of God church in Gentry, AR at 10 AM with service following at 11 AM. Burial will be at Springtown Cemetery. For the visitation and funeral guests will be required to wear their own facemask, per the guidelines set forth by the State of Arkansas.

“ Aunt Fern was always my favorite aunt. I would get so excited when I found out she and Uncle Gene were coming to visit. She exuded the love of Jesus and always accepted us with love no matter how often we could get together with her. I'm sure the celebration of her entrance into Heaven will be ongoing for a very long time. - Karen Bird

“ To Janet and all your family;
i read about your Mother in the paper today. I was sorry to hear this and please know our thoughts and prayers are with you all. I am sorry that I won't be able to attend the services. I don't drive anymore and my walking is limited to aid of either a walker or cane. Yes the years are catching up with me. Also this virus has limited where I am "allowed" to go. Except for Doctors or necessary appointments i am pretty much staying at home.

That is a beautiful picture of your Mother. She reminds me of you.. I last saw her at your Dad's service. Again, I am so sorry I cant be with you but you will be in my thoughts

Take care and if your near by i would love to see your family. Take care..
Love to all of you, Helen George

“ Grandma, I am sure there is some celebrating going on in heaven now that you are there. You may no longer grace this earth in your physical body anymore, but you will forever grace many hearts and minds with the kindness and love you freely gave to so many. I love you and hope that you are enjoying the grace of God that you so much deserve. Breath deep, run far and smile forever.

“ So many wonderful memories of this precious lady. Knew her through church but she was also a neighbor. Such an inspiration to all who knew her. Love your family and you will be in my thoughts and prayers. I know you can feel the loving arms of God around you.

“ Aunt Fern was an angel on earth. She always offered a hug and a kiss and words of kindness. She loved being around family and sharing life stories. I have many sweet memories of her at the Glasscock family reunions. Go rest high on the mountain - your work here on earth is done. God wil surely say "well done my faithful child".
