“ Ace was very special brother to me because we always shared a birthday together. We were the same age for a week. Sometimes I remember that he didn't like it because I got to do the same thing he did. Ace was a loving father, brother, & husband at one time or another. He made sure that his family had all that they needed. He loved his children more than anything else in the world. He even help other family members when he could in any way he could. I know he was always there for me. He was always there when I needed him to work on my car or even help with the kids before I married. He will be missed greatly and remembered in more ways than anyone could ever imagin. He completed his mission that God had for him so now we all need to finish what he started. May God Bless this entire Family.

“ I'm sorry to hear about your loss. I know this must be a difficult time for your family.

*The resurrection hope has always been a comfort to me. Jesus said at John 5:28,29:"the hour is coming in which all those in the memorial tombs will hear his voice and come out."*

*Knowing that God is not the cause of death is also comforting. Hebrews 2:14 says:"he (Jesus) will bring to nothing the one having the means to cause death, that is, the Devil."*

*Once again, I'm sorry about your loss. I realize these scriptures will not erase your pain, but I hope they will provide some comfort.*

*Very Sincerely,  
Scott Smith*

“ *I cannot express how deep my sorrow is for the entire Davis Family. To know their closeness to see all of them together to hear their laughter is always a treat. I had the pleasure of growing with this family and Ace could always make you laugh if only because his unique laugh was infectious. He always had a spark in his eye and a smile on his face. My heart goes out to his children and his entire family. I Love You All!!!!*

“ My deepest sympathy and heartfelt sorrow is with you for your loss with the passing of Ace.  
I remember Ace as he came bouncing in the front door of the office. He was full of positive attitude and had a great laugh. Even as he worked with us here in Washington, Ace's heart was with his children. He cared so much about them and was so proud! I hope it may give you a little comfort to know he spoke of his son and daughter to us here often and with such pride!
