“ *Dear Sharon, Ronnie, Dennis, and Families,*

*Was so sorry to hear about the passing of your Mother. My family and I have always remember your Mom and Dad. I remember that your Dad took us for a airplane ride when we first came to Arkansas. I couldn't have been more than 4 or 5 years of age. Anyway, I want you to know all of you are in our thoughts and prayers especially at this time.*

*About a year ago, your Mother was having what I call x-rays done at St. John's hospital. I think it was there. And she encounter my brother Russell, who was her technician for the work to be done. She may have spoke to you all about it. I think she was surprised that he remembered her. So he was glad to have seen her again. Take care and may we all meet again someday.*

*Always,*

*Louise*

“ I had the nicest visit with Ada Ruth on Saturday afternoon. We sat at the kitchen table, drank Dr. Pepper and ate snacks and discussed children, great grandchildren and shared our latest photos. She has always been the gracious hostess and was so easy to talk to. She was upbeat, feeling good and looking forward to her upcoming trip. We had had many backyard conversations over the years with Ed and Ada Ruth. They were extremely proud of their children and bragged about the grandchildren. Charlie and I feel honored to have been their friends.

“ LaFerne and I first met Ada Ruth 45 years ago. In those years we have been greatly influenced and encouraged by this beautiful and gracious lady. She has been a source of strength and inspiration to countless people. She had an enduring commitment to her family; her church; and her friends. She endured many difficult moments in life with a grace and dignity that raised the average in life for all who knew her. LaFerne and I are better people because we were known and loved by Ada Ruth. Our memories of her will forever impact our lives. We pray a special blessing for Ron, Dennis and Sharon and their families in the celebration of the life of their mother. Thanks for sharing her with so many of us!
