“ I have so many wonderful memories of Adanell and the entire Snider family...they were among our first friends when we arrived at JBU in 1964 and we spent lots of occasions together (I especially remember the Independence Days and her peach ice cream). She was one of my mother's dearest friends and was very special to me. My thoughts and prayers will be with you all.

“ Marion Snider, JBU alumni & administrator for many years, said goodbye to his wife Adenal of over 70 years this week. Via a JBU choir cd, the JBU choir performed "A Mighty Fortress" - truly awesome! I took the photo of God's glory seen in a pretty fall tree outside the church after the service . .

“ I've known and loved the Snider's my whole life. Adanell will be missed. Nancy, Stewart, and Melanie, so sorry for the loss of your precious mom. I had missed seeing them recently at the Back Forty. I so enjoyed running into them there and visiting for a minute or two. Marion, I will be keeping you in my thoughts and prayers. Your and Adanell's love for each other has been a constant example of what family should be.
