“ My husband and I were camping at Bull Shoals Lake when mother (Helen Young) called to tell me Addie had passed away. We were coming home on the day of the funeral and it worked out that I could get there just as the funeral was starting. However, mother was not able to come since we were away from Oklahoma City. We both have a lot of fond memories of Addie and she will be missed by all of us. Our prayers are with your family as you experience her loss in your life.
