“ Chief Gregory was a very kind person. Though I worked with him for a short time, I have not forgotten his cheerful disposition and encouraging words. Prayers for peace and comfort for his family.

“ Sympathy from the Frabotta family. You might remember me. I was married to Steve, a Son of Helen Jane Gregory Frabotta from Westville. Steve passed away 4 years ago. When we used to visit family and friends in Okla. Albert was always on our "to visit list", while we were in town from Chicago. Steve loved to walk into the Police station and announce, that he was here from Chicago, to see his cousin, Albert. All the heads in the office would turn. We had fun times going out dancing with Albert, his wife, and Rick and Linda Gregory who lived in Watts at that time. Sincere sympathy from Jackie Frabotta and her Daughter Jennifer from Chicago.

“ My thoughts and prayers to Al’s wife and family. Al and I came together in the 70s, he as an officer and me as assistant principal at the high school. We continued our relationship through the years as I changed responsibilities with the School District. During those years the single thing that stood out to me with Al was simple, he cared. It was a pleasure to not only work with him, but to know him as well. Siloam Springs is an even better place because of Al.

“ *Albert was an amazing, sweet man who always brightened my day every time he walked into Highlands Oncology with a "Hiya Sunshine." It took time to draw him out of his shell, but once I did, I was so blessed to get to know him. I will forever remember him!!*

“ *I am so sorry for the family. I worked with Al for nearly 4 years at Siloam Springs PD during his detective years. Floated and fished the Illinois River with him on several occasions and camped and fished Lake Euchee with him. Carried him on piggy back out of the Spavinaw Creek one day as he was in a suit and tie and I had got us stuck after showing him what my Game and Fish truck couldn't do. He was a Great Friend. May the one and only living GOD comfort you all during this time.*

“ *Sincerest condolences to the Gregory family. Al was Chief and instrumental in my being hired at the Siloam Springs Police Department back in the day. He was fair and just in his dealings and my employment there was enjoyable under his leadership.*
