“ Alberta was a classmate and a friend for over 75 years. We played basketball together at Gravette High School. We always tried to get together when I visited my parents. It was fun being with her and remembering the good times. She was a kind and strong woman. I know her faith was true and she is now at peace without pain. She will not be forgotten.

“ Alberta was a very personable lady and I just always had a good time in her presence. She would laugh at my silly jokes (sometimes at her expense), but she knew how to retaliate and even the score. Additionally, she read about every commentary or post I made on Fbook—And Agreed With Me! Of course She was a Strong Conservative ! There will be a void in my heart for Miss Alberta Smith! I know there was a Reunion In Heaven Monday Night as Tears of Joy flowed from John and Alberta as They were Praising The One and Only True Living God!!

Boys and family...how blessed we all are that was able to be a part of her life on any level. I'm so sorry I didn't have more time with her. She could have taught me sooo much more. I love that she and John were so real. So pure. So kind.

I hear her voice and will never forget my Bertie.

I'm sad for me and those she's left behind and sooo happy for her and John. I love you Bertie and Smiths. Best of people ❤️
