“ Sending thoughts of peace and courage to you and Chandler. I know with great confidence that she is smiling down on us today. I picture Alex in heaven running and laughing with that beautiful hair blowing in the wind. She has blessed and touched the hearts of so many people, and she too blessed to have a wonderful Mom and little sis to have shared in her life.

“ Cathy,
You, Chandler and the rest of your family are in my thoughts and prayers. When I think of Alex, I think of that beautiful dark, wavy, shiny hair of hers. I'm sure her strength was a source of encouragement of others that befriended her at school and therapy. Having Alex made you and Chandler the people you are today, and that's something you'll carry on forever. May you be blessed with comfort at this time.

Love,

“ Kathy,

I was so sorry to hear about Alex's passing. I know that it is going to be hard for you and Chandler to go through this life change. I have to tell you that the many times that Lonnie and I have seen you through the years, we were always so impressed with how upbeat you always were. You are a great mother and we have talked about that through the years. You have gone through so much that the rest of us can't even imagine. You and Chandler will certainly be in our thoughts and prayers.

Know you have a bunch of us here, too. Praying for peace for you and your mom and daughter. God has truly blessed your life! Love you.

“ Cathy, I remember meeting you and Alex the first time when your Aunt Patsy died, and Alex looked like a little doll with her hair perfect, and dressed up so cute. We were so lucky to then get to know you better when Zack met you and Alex, and of course fell in love with both of you. I cannot imagine what you are going through right now, but I know you have always wanted what was best for Alex, and I believe she is in a better place for her. We are all blessed to have known her. If you ever need anything, please don't hesitate to call. As you know Zack isn't going to be able to make it for the funeral, but we want to come and see you when he comes home for Christmas, if that is ok. All my love.
