“ *Sue, was a very special friend. We became acquainted working at Kennametal. I was not aware she was ill and did not see the obituary until today. We have very fond memories of Sue and she will be greatly missed.*

“ *Some of our fondest memories of Sue (and Ullysses) are the times we spent with them in Colorado. We were so glad that Sue got to come to Crawford, CO while we were there this summer. She wasn't able to do much while she was there, but she told me just being there was wonderful.*

*We will miss her greatly as I know all the family will.
May knowing she is without pain and your memories of her help you at this difficult time.
