“ *To the family: The fondest memory that I have of your mother is when she worked at school and rode the school bus home. She always took the time to talk to all the kids that were on the bus. May God comfort you during this difficult time.*

“ Rosie & Family,  
I'm so sorry to hear about your mom, she was a great person. I remember when growing up I would come over to your house and she was always happy and cheerful. May God help you through this difficult time. I don't know if I will get to come to the funeral or not. I wanted to call you but don't have your number.  
Take care.
