“ Grandma, I will miss you so much. You were truly my guardian angel and you will never be forgotten by me. Thank you for the nights you sang Twinkle Twinkle Little Stars to me when you were trying to explain where my daddy was after he died. Thank you for loving me and being there for me when I needed someone. You are my best friend and I am thankful for a strong woman like you to have given me my values in life as a mom, wife and friend to all. You have shown what it is like to be Christ-Like as you never turn your back on anyone in need. Grandma, I love you and Miss you so much!! I will look for you when I come to meet you in heaven. Love you Love you Love you Love you Love you...

“ I remember Aunt Allene as a very pleasant person to be around. As a kid, I remember often spending the night at their home with her, Uncle Virgil and the kids. Also have fond memories of the trip to Oregon in the summer of 1951, riding in the back of the pickup with them and just enjoying the trip. May you rest in peace.
