Tribute Wall

“ I just wanted to say that I remember Mrs. Kinnamon from when I used to attend CYC at Free Methodist Church in Siloam Springs. I remember her having us over to her house for a big party one time. It was so much fun. She was always such a sweet lady and I was just a little girl at that time. She must have made an impression on me because I have never forgot her. I pray God bless you all and give you the strength you need at this time.
