I'm really sorry for the sadness you are going through. Alvin was a great guy, a "good ole boy". Think of all the good times and love you have shared, a real blessing for you. He will be missed and remembered by many. We love you and our prayers of comfort are with you. Del and Vicky Lamphear.*

“ *Dear Nelda, Dennis and family,
My heart was so sad to see that Alvin had passed away. I did not know he was on hospice. Every time I saw him he was working; he was like the energizer bunny. :) I will be praying for you all. It is a hard time of life, when a loved one dies. I pray for God's comfort and that you all will hold on to the hand of Jesus and stay focused on His soon return.
Love and prayers,
Raymond and Donna Cook*
