“ *I worked with Alvin during the summer Cherokee Nation program at the HS. He was always so pleasant and polite to work with. I always enjoyed getting to work with him every year...even though we had to paint the entire elementary school back in the 90s. :) He always chose me to be his helper when he could. RIP.*

“ Alvin was a very special friend to Jim and I both. I told him he had to outlive me because I couldn't get along without him. He built my house and has continued to fix things all of my life. I enjoyed his sense of humor and his clean jokes. He was one of the most kind and pleasant men that I have ever known. Love you always, Alvin.
