“ *Alvina was so nice to us since the day we first moved in across the street. She made us feel like family and was one of the most generous people I've ever met. We will greatly miss seeing and visiting with her. She was a wonderful person. Our thoughts and prayers are with her family.* ”

“ I was so sorry to hear of the loss of my Aunt Vinie. She was one sweet and very wonderful lady and will be missed by all that loved her so well.

Her family in Texas are unable to make it up for the funeral and want to send all our sympathy and condolences to all her family.

On every visit to AR we always made an attempt to see her and visit with her. We stopped in Watts as we drove by her business. When she moved back home on Elm St. we walked up to visit and say Hi. She came down the last few years to the house to see us. It was so wonderful to have that time with her.

I brought back a bunch of flower cuttings of different kinds that she shared with me on my last visit and I have them all planted in a special bed of my AR flowers. I will treasure these now and know that one day I will visit with her and all my family up above and it will be a wonderful reunion for us all!

Aunt Vinie was a very unique and one of kind aunt that will be missed by her nieces, me, Carolyn Browning Jones, Marilyn Browning Turner, and Peggy Friend and nephew, Terry A. West (my brother) She was a terrific Sister-in-Law to my mother Jean Browning West and my other Aunt Kitty Browning whom will miss her lots.

We all have lots of wonderful memories and times to fall back on. I will miss that great lady as I have so many of my relatives that have passed on, but take comfort in knowing that she is celebrating and having a wonderful visit with her mother and brother and husbands that she loved so dearly through her life.

I know you all will miss her as much as we will. You will be in our thoughts and prayers over the next few months for we know how hard it will be to carry on without her smiling face. Take comfort in the fact that other family and friends understand what you will be

going through and that we are all thinking of you.

All our best and sincere sympathy.
