“ *This is Scott Spies from the class of 1979 from Auburn Academy. I had Elder McLean as a Bible teacher my senior year and thoroughly enjoyed and learned a great deal from him. I admired the way he was with his wife and how he was so gentle and mindful of her. They had me over for dinner one Sabbath my senior year and I was amazed at the amount of things Mrs. McLean could do, though being blind. My prayer for Elder McLean is that Jesus comes soon so he can be reunited with his wife and we can all see Jesus face to face.*

“ *Your family means so much to us. Marcia's Mom has left a beautiful legacy ? a loving family. She lived a life of devotion to her Lord and love for her family. We will miss her for the short time till Jesus calls us all home and we gather together around the reunion table with our Lord. Our hearts ache for you and the loss you are feeling now and for the months ahead. Our prayers are with you.*

“ *She was a beautiful person. Jesus was visible in her heart and life. She lived with dignity and grace. She made a lonely boy with no where to go feel valued and loved. He will never forget her.*

“ *Amelia was an inspiration to us. With her upbeat attitude, her quick wit and happy outlook on life she pointed us to her Savior. We will miss her greatly, but look forward to seeing her in heaven - where she will also "see" us.*
