“ Rene welcomed me with open arms 28 years ago to my new home in Arkansas. His unending quest for knowledge offered two major wonderful shifts in my life. He lived his life beautifully - an incredible friend. He will forever be in my heart- especially during the VW Parade in Eureka 😊. Sending lots of love to you, Kathy, family and friends and to you, Rene❤️❤️❤️.

“ *René Zambrano, close friend of short standing. Always quietly engaged, always a smile at the ready, always listening when others spoke, poised with the thoughtful response. The moonlight canoe expedition at Yorktown Bay; pizza with the boys after the Legos expo, wrestling office equipment in the back of a pickup; every memory is hallowed and cherished. You left us a sterling example of what a good man, husband and dad looks like. We love you and miss you dear friend, until we meet again.*

What a very special friend has been for us, from help when needed for physical therapy and massage to helping so many times in putting our house together and just enjoying visiting over many meals and sharing our thoughts and ideas of our loving Heavenly Father!! What a wonderful blessing he has been to so many people!!! Our thoughts and prayers are with Kathy and all family members and friends too!!

“ Rene was one of a kind. He was one of the most kind and compassionate people I have ever had the privilege of knowing. He hired me in December 1993 for my first grown up job as an OT. I'm so honored to have known him. I pray for peace for his family that he loved so well. After 30 years of friendship, he never missed a chance to catch up so he could brag on his boys. It was a privilege and a blessing to have known Rene.
