“ Dear Janelle and John,
My heart is breaking for you both right now. Baby Andrew wasn't part of our family for long but he still left his footprints on all of our hearts. We will never understand the reason for this happening but heaven must be a little brighter today. I hope you all know I am always right here if you all need me for anything. Lean on each other and those of us around you and lean on God for the strength you all need at this time. You all are in my thoughts and prayers. I love you all very much.
