“ Phil and I were so sorry to hear of Anita's passing. I remember when I was in 1st grade, she was in High School and we rode the same bus. She would let me sit on her lap and I thought she was just the greatest! Phil knew Anita from working at Franklin and she was a good friend to him! She will be so missed. Prayers to her family.

“ I was saddened to learn of Anita's illness and subsequent passing. We were classmates at Watts High School and I remember with fondness, events and activities while growing up.

Anita will certainly be missed by her family and those that knew and loved her. May God bring comfort and encouragement to those individuals at this time.

What a pleasure it was to have known her...thanks for the memories!

God Bless!

May God bring comfort to her family and

“ *She was the sweetest person I knew.
She would do anything she could for you.
I loved her children dearly. She would come and visit and I would talk about the Lord with her and she would just listen and tell me she loved him and that she knew he was the Saviour of her life.
She gave me a cookbook of hers for Christmas, cause she had nothing else to give me and I have always cherished that. I loved her and I will miss her so much....but I know I will see her again one day....and we will have the best visit. Debby*

“ *To Anita's family:
I'm sorry that I cannot attend in person to help you through this tough time as you did for me with my dad, Ralph. I know that this loss is one that one never recovers from, but God will help heal your hearts. Please call me if there is anything I can do for you. I love and miss you all.*
