“ *Kathy and I had a special bond together in the Trout family. Since my mother lived with her brother who was Kathy's grandfather, I would always say to her I was the first granddaughter not her. When the Estes family lived in Bowling Green, I stayed with the Estes children for a little over a week while Helen was in the hospital. Well, that was a week to say the least, but very enjoyable. I am sorry she was sick so long, but like always in life, she was a fighter in her battle the past 7 or so months. I am so thankful we were able to be together at Joy's 90 birthday celebration. We shared many good stories of our growing up. My prayers have been for her when she was ill and for you as a family that God would give you strength, comfort and bless you in this difficult time. She is rejoicing with the Lord now, not suffering, and have a blast with her mom, dad, brothers, and grandparents. I praise God for the 68 years we were able to share together. Sorry we don't see each other often, sorry I am unable to attend the memorial service, but my family, our church, Jerry and I are praying for God's comfort, strength, and to pour out His immeasurable blessing on you.*

*Love, Jerry and Anita Bruce*

“ *My first vivid memory of my Sister was when I was 4 years old. We Estes kids were playing Baseball in the yard and I was playing Catcher and Kathy was the Umpire. Our Brother Jody was up to Bat and hit a fly Ball. He swung the bat back and hit me square in the head. As I began to bleed profusely, Kathy wrapped my head in her Skirt and escorted me to the house. Whereupon they sent me to the Emergency Room to get Stitches. I remember her comfort and love as she and Mamma took me to the hospital. She always was a nurturer and kept that Spirit throughout her life, Oh! How we all will miss her. But Thank God she's with her Savior and Lord Jesus, whom she loved so dearly. Brother Mark*
