“ *Sis Barnes has certainly been an encouragement to us. She had a wonderful smile and was always there in her "seat" at Reel Road. She enjoyed the breakfast at my home and McDonalds. She will be greatly missed.*

“ *Anna Sue and Roy,*

We will be praying that God will provide comfort to you during this time of sadness. Sis. Barnes was a sweet lady that will be missed by all that knew her. I am so thankful that our path crossed hers. Anna Sue and Roy, your sadness can be eased some by knowing she died while covered by His blood and saved by His grace.

We love you!

“ *I remember your Mother from years past when I prepared her income tax. Why? Because she and my favorite aunt had the same first and middle name. Your Mother often brought me little tokens of a freindship that started with that first appointment. She was a lovely and lively lady. I think I still have some some clothes hangers that she covered for me. I also remember that she had gorgeous silver hair. There was always a hint of mischief about her as well. Thank you for sharing her with me.*

“ *Our thoughts are with you as you go through these difficult days. Anna was a joy to talk with and I always enjoyed looking across the auditorium and seeing her in "her spot". She will be missed by all at Reel Road.*
