“ Although time has come and gone, but I still remember Aunt Annie with such a deep love and fondness. Through the years Aunt Annie, who was called Aunt Annie by all when she was a resident in our local nursing home, made a tremendous impact both on the staff and residents alike. I believe that her friendly pinches are still felt to this day. Aunt Annie was always welcome in our home, where she lived from time to time. I'm thankful for Aunt Annie making me feel welcome in the family too. We will always miss our dearly loved Aunt Annie.
