“ Dean, I just learned from the JBU Bulletin of Evan's passing. I am so very sorry! I was mentioning to Jim a day ago or so that we hadn't heard from Evan in a long time; Jim enjoyed chatting with Evan on the phone. Evan and I met at JBU in 1967 and were friends for life. We so much appreciated your hospitality the last time we went to a JBU reunion. May God be with. you; times like this are hard!

Sincerely, Jim and Marilyn (Johnson) McManus, Bokeelia, FL

Evan shared many thoughts and ideas with me thru his life. Many years we would happen upon one another. I'll forever remember some of his wisdom he shared with me! Sorry I never got to know Dean. Must be a good one to be with Evan! I miss the corner stones of the community of yesteryear! Randy Marsh

“ *Wow! That caught us all off guard. Just the way Evan would have wanted it. I never knew what he was going to say or text to me. He told me so many stories and introduced me to some great people. Most importantly of all, he accepted me into his family when I married his daughter Megan. I'll miss ya more than I realized and wish I could tell you that in person. Rest in peace and keep that right pedal wide open.*

“ Well, I’m not sure how many dents this guy fixed for me, too many! But what I would like to celebrate is my team mate on the undefeated JBU Flyers parents medley relay. Won it straight up, won it with goofy kick board stuff, it didn’t matter, we got it done!

I married his niece in Ulysses, Kansas in 1989.
Loaded up to leave after the reception — headed to Amarillo and honeymoon in Vegas.
Go to start my car and see Evan’s smiling face as he lifts my distributor cap.
I hope all of his family and friends will remember that smiling face.

That is the one I am looking for in heaven.
May the memories of laughter and smiles comfort you at this time.

“ Like a lot of people I met Evan after an incident with my car. Over the years we remained good friends and shared some epic stories (mostly his!) He touched a lot of lives in his life and will continue to be missed for a long while. God’s timeline doesn’t always give us a reason, but I truly believe there is one.

“ Randy, I’m so sorry. Despite the rivalry between Bob & your brother, he was kind to me when he had occasion, more than once & even years after Bob & I separated, & despite his continued kidding about my name. I have fond, funny memories of you all. It won’t be long now, “Becky” Acts 5:28,29

A heartfelt memory of your loved one who brought a smile to every occasion. I am also thinking of you and yours. I'm also thinking of little dog Rowdy and black cat Max. Evan and I have been friends since high school. He used to hang out at my grandpa's shop in downtown Siloam. Evan passed on a very interesting story about my grandpa. We learned a lot about drag boat racing from Evan. I just saw him for a visit 2 weeks before his passing. He will be truly missed and never forgotten. Becky Selby
