“ *Archie was a good man, husband, father and grandfather. He provided for his family and raised his children to be responsible adults. He always welcomed us with open arms when we came to visit and made us feel welcome. I know how much Shawn, Connie and Luke respected and loved him and we will all miss him but the best thing is he did not suffer long, is not suffering now and is again with Pat and Connie. Love you all.

Archie Sperry was a caring and proud family man. He and Pat shared a great and wonderful love for each other, their children and grandchildren. He was always generous with his friendship, time and knowledge. If you had a question about cattle, fence building, or anything about farming you always knew you would get an honest answer from Archie. He will be greatly missed. It is wonderful to think of Archie and Pat being together again.
