“ *I used to browse around quite a bit when shopping at Bible Bookstore. Whenever Aric was there with Jan, he'd often follow me around talking to me & asking questions. One day I was squatting beside a rack of postcards & he was chattering away, proceeding to sit down on my leg as if it was a little bench just for him. He was so cute and funny, and I've never forgotten that incident.  
He was a good boy who was loved and will be missed by many.

“*Aric, he was the most amazing person I have had to pleasure of meeting. His smile was one that would light up any room INSTANTLY! He was always so into his friends lives, that he knew when you were down and would spit out words that could bring you back up. Aric and I had random taco bell trips late at night after winter guard competitions. We would pick a spot to park and then sit on the hood of my car, chow down our food and just talk for hours. I'm really going to miss that, but in the end its a great feeling to know that Aric is in a better place now, and that he is smiling down upon all his friends and family encouraging us to keep going and to live our dreams.*

“*Aric you will be missed. Although you were so young you have lived a lifetime of experiences. I am glad to have met you even though your time here on earth was brief you made a great difference. You left your mark on many hearts, and have touched the lives of so many... far more than you will ever know. To your family I know your lives will forever be changed... You must know though that although it is hard now, in time the pain will ease. You have an angel looking over you now and I hope that knowing that will bring you comfort. You raised a wonderful man.*
