“ *A brief candle; both ends burning
An endless mile; a bus wheel turning
A friend to share the lonesome times
A handshake and a sip of wine
So say it loud and let it ring
We are all a part of everything
The future, present and the past
Fly on proud bird
You're free at last.*

“ *God hath not promised skies always blue,
Flower-streun pathways all our lives through; God hath not
promised Sun with out Rain, Joy without Sorrow, Peace without
Pain.
But God hath promised, Strength for the day, Rest for the labor,
Light for the way. Grace for the trials, Help from above, Unfailing
sympathy and Undying love.*

*Our thought and prayers are with you all.
