“ Aunt Astrid is a amazing lady.. She was always cheerful no matter what her challenges were, she always cared about everyone, and wanted to know what was going on in their lives.. she always showed such compassion. She was quick witted and so pleasant to have a conversation with. She was more concerned about your challenges, then her own. she was a hard worker and was meticulous in her crocheting, gardening, and every thing she went out to accomplish. She will be here in spirit to all those that love her. We will all miss her warm smile, and her letters and Christmas cards.

*We love and miss you Aunt Astrid!
