Audrie was a beautiful lady the first time I saw her and she was a beautiful lady the last time I saw her 50 years later. Audrie loved to laugh and she loved to make others laugh. I am sure that when she entered Heaven's gate she had a little joke to tell St. Peter. She loved her family and was very proud that her sons, husband and brothers served our country in the military. She never failed to stop and thank a soldier for his/her service. I am sure Audrie is in Heaven now thanking all the soldiers that served our country, even Gen. George Washington for his service at Valley Forge!

She was a wonderful, loving daughter, sister, wife, mother and friend. Today the world is a little dimmer without her here but we will always keep her memory shining in our hearts. We love you Audrie!
