“ Austin was an amazing person. He was so distinguished and my family admired him. He would walk his dog and we had often visited with him on his walks. He had many interesting stories and had led a good life. My husband was sick with cancer and Austin came and prayed for him. He was a good neighbor and always had a smile and a word of encouragement for my family. He will be missed.

“ JoAnne,  
It's been a few years since we have spent time with you and Austin, but the memories are vivid. Lots of fun times, lots of interesting discussions with dear Austin. What fun he was to debate with! I always appreciated his interest in all kids, from taking time to talk with them to his interest in worthy student aid. His smile will long be remembered. It was always clear how much you loved each other and I know you will miss him greatly. I hope you can feel the love and prayers from many, many people holding you close as you go through this time of sorrow and loneliness.  
Love you,

“ It was with profound sorrow to hear of the loss of Austin, but I also am very glad and joyful to hear of his admission into heaven. Austin was a man who loved God. I celebrate with you his life! Although he will be missed but we also remember that the beauty he possessed shall once again bloom in the eternal spring. Austin and I shared some very great moments. In his spare time he would substitute teach at my high school. This was years ago. He was very influential and really passionate about education. I remember him teaching us how radar worked and how he encouraged in my decision in joining the U.S. Airforce. I respected Austin very much and Will always remember him.  
Thank You, Austin Tyler
