“ I went to school with Barbara at Decatur. She was a class or two higher than me. I remember when She and Carl were dating. I always thought of Her as such a nice and sweet person. Always seemed so happy. Then after I married, My Husband Jack had known Carl for many years. It was neat! Carl and ALL the Family, you all have my deepest sympathy, and hold tight to all those dear memories, it helps. I know. Blessings to all of you. Patty Boyle

“ Barbara was my first BFF. We met as very early childhood friends and shared so many great times. We spent much time hunting treasures and making scrap books. I can still hear Claud calling out to "Barbry" that "Firecracker" was coming down the road to their house. We loved everything we did together. We would gather in the living room for the "Wrestling Matches" on TV and of course cheer on our favorite. My treasured memories live in my heart just as my love does for my dear friend. May Barbara now rest in peace reunited with others that she loved and may God give peace and comfort to those left here. Over time the sweet memories will ease the pain of the loss.

“ Barbara was my first BFF. Oh what wonderful memories I have of our childhood days and the many treasures we searched for and shared. So many happy hours were spent with Barbara and the Londigan family. We made the best scrap books ever!!!! Barbara will always live in my heart. Carl, I pray you and all the family will find comfort in the memories you have. Those can never be taken away.

“ *I have so many fond memories of Carl and Barbara having the Gentry Class of '57 in their home. Every time there was a special occasion, they would feed us and we would spend hours reminiscing about "the old days". Barbara was loved for her beautiful smile and gentle ways. She will be missed.
