“ *Uncle Ralph, Jason, and Marlena;*

How can I begin to express to you my complete shock and sadness at the passing of my Aunt Barbara, your Wife, and Mother. I fell in love with Aunt Barbara the first time I meet her. She had the most perfect heart and totally and completely embraced all she came in contact with. Her love for the Lord was most evident in all her actions. She was truly and completely beautiful from the inside out. Some of my fondest memories are sitting and listening to her stories of vacations with family and time she spent with her children and grandchildren. Her love for all was evident in her every word. Her early departure will surely leave a huge void for all of you and for us too. The only good thing about all of this, is that for the one's of us that know the Lord, we will see her again when each of us go to be with the Lord as she has done. My prayes are with all of you as you move through the next days, weeks and months.

May God Bless you all.

“ I remember my Aunt Barbara for the love she shared with all the Pannett children throughout the years. She truly loved my Uncle Ralph, her children Jason and Marlena and their families. She also loved her nephews and nieces over the years. We knew she loved us all, but we also knew she loved our Lord Jesus with all her heart. I know she is sharing her love for us with Jesus while she waits to see her family again in the presence of our Lord.
