“ I have so many wonderful memories with sweet Barb! To many to share in one paragraph. I love her dearly. She was always so kind. She was a gentle soul. And she loved everyone's kids so much. We miss you so much already. "Heaven is worth the journey." I always loved hearing you and your sisters, sing that song. Love you tremendously!💕

“ My precious sister words cannot describe how special she was. Not only to our family and church family but to all of “her kids” she taught over the many years. They were loved by her and she even taught kids of her kids. We started singing when I was sixteen and now the space next to me is empty but her singing is now in a much better heavenly choir. Love you sis and now your spot on the pew is empty and my vacation buddy is gone I know you are happy. I know your are whole. I know you are healed. Love and miss you dearly. We will see you soon. Tell the dad mom and Tim we will be home soon

To my little sister. Miss you so much. Don't know how we are going to go on without you. You were a special aunt to your niece's and nephews. Will miss our shopping partner. So glad we were able to have that one day last month. We three had a great day. Things will never be the same. But we will soon have a big reunion over there. Can't wait to be with all of you. Love you much
