“ *Hi Mac and rest of your family. So sorry for your loss. I never met Barb but felt like I knew her. From stories of her fantastic Angel Food Cake and her love for her family. Heaven gained a great lady and I know she will be missed. Praying.*

“ *Barbara was such a special light in every life she touched. She always had a smile, a laugh, and kind words when I would see her. She loved her family unconditionally and loved sharing the latest news of their lives. She is at peace now, sharing her sweet love at the joyous reunion with her loved ones. Mac, Gail, JoAnn and your families — to all of you, prayers of comfort for your loss at this time but rest assured, she will greet you with an open heart and loving arms again one day. May your fond memories of her hold you until then.*

“Make it pretty, sweet Barbara, make it pretty!!”

“ JoAnn. Gail. and Mac...I am so sorry for your loss. I have many fond memories of your mom. She was a dear lady who treated everyone with kindness. I loved visiting the Wunningham home because I knew your mom would likely offer me something to eat, and she was a wonderful cook! One Thanksgiving, I dropped by your house after your family had just completed dinner. Your mom asked if I had eaten. I had, of course, but there was no way I was going to pass up her cooking. I told her I believed I could eat a "little something". She fixed a plate for me, piled high with turkey, dressing, and all of the trimmings. I stuffed myself with every bit of it...then, I had a big piece of her pie! To this day, the memory of that dinner lingers in my mind! She was a very special lady. I hope your memories of her will always bring you comfort.

“ I was Barbara Winninham's pastor for 11 years. She was as godly a woman as I've ever known. She loved God, her family & her church. Every time I was around Barbara, it felt like I was getting a spiritual shower & a spiritual vitamin. She was a true Proverbs 31 woman!

“ My condolences to the family. I have a lot of memories with Ray, George and Jo Ann and Mack was a little younger but I remember the dairy classes we had there in FFA and Adrill even was a substitute teacher one year. Good memories and a good family. My last memory of Barbara was her and George eating in the Gallery Cafe in Decatur.

“ The entire Wunningham Family has been thoughtful and kind to me and to my family these past 60 years we have known them. I was blessed to feel like I was a part of the Wunningham Family when I experienced life challenges in my youth. Barbara and her children were very important to me. I am confident that Momma Barbara is celebrating with the Wunningham Boys in Heaven. John A.

“ *The Winningham Family was so very kind to me in my youth, in so many ways. They were an amazing farm family. They were Mom & Dad with Five Kids, just like my farm family. I would love to spend the night with my good friend Mac and his family. I can still smell the country breakfast that Mac’s Mother would serve after everyone did their early morning chores. Then, of course, it was off to school. Am praying for JoAnn, Mac and Gail and the family as they prepare to gather and celebrate the life and legacy of Barbara Jean Winningham. May the Good Lord bless and keep you and yours in this time of reflection. John A.*
