“ My Darling Grandson,  
It has taken me awhile to write this, but there is something I need to tell you. I want you to know that I loved you from the moment I heard about you. I am not sure I was a very good mother but I know I was born to be a Nana. I love being a grandmother. I know there are lots of grandmothers in Heaven and you have several great grandmothers holding you there, but don't forget about me and Mimi. We will be there with you one day and we look forward to our turn, too.

Love you Beckett,  
Nana

“ The whole community is grieving for your loss. A little one was never loved and celebrated as this one was! Beckett, we followed every post of each celebration of your life and praised the Lord along with everyone that you were on the way. You impacted our lives before you were born in your short life. You brought joy to your mother and family even when you could not be seen. We rest in the hope and joy that because of the sacrifice of Jesus Christ, you will be reunited with your family one day.

“ *My Dearest Grandson,*

*We love you, we miss you, and even though you are not here, you will always be with us in our hearts. I am so sorry that you didn't get to play ball with your older brother, or tease your sister, but your presence will be with us forever. Rest in peace, our dear little one.*
