“ Malcom and Traven just wanted you to know I was thinking about you. I am sorry for your loss. I know you have many fond memories of spending time at your Grandad's deer hunting and just hanging out. I remember all those very cold mornings we went out to the farm deer hunting. I also remember how great it was to just get back to your grandad's house to warm up. Your in my thoughts often and in my prayers always. I love you both very much..
