“ I went to school with Ben. We were really close friends. I moved away in 8th grade and that was hard leaving him, but we talked off and on and when ever we did we just picked up where we left off the last time we talked. It was natural thing for us. I have so many memories with him. He meant a great deal to me and still does and will forever. Ben had the most amazing heart anyone could have. I remember always going to his house after school and I got to know his mom and dad and I know that's where he got his amazing heart from. My nickname from him was Meshell and his was Benny Boy. People thought we were crazy together. What can I say I loved him and he will always have a big piece of my heart. I am very sad that I lost a very special friend. I look forward to the day that I get to see Ben again. Going to be really hard without him but I know he is watching over us.

To his parents I want to say thank you for allowing all of us to have a memory with Ben. You two couldn't have raised a better son. He was a great man that would have done anything for anybody. So, thank you. You all our in my prayers.

“ We are so sorry for your loss and bereavement. We wish we could have come to Ben's service, but patients ran late, and there was no one to stay with our 88 and 90 year old mothers who live with us. We know that words are small comfort, but know that we wish you peace and love during this time of great sadness.

“ I love you guys! We're praying for you and our hearts are broken for you because of this tragic event. May God bless you with comfort, loving family and friends, and peace; now and through the coming weeks. I remember Ben; Jeff and I would come back from college and I would stay at the Tuckers some of the time. Ben was always around, being a normal "little brother". Ang and Jeff would tease him, but he was quick witted and always had a comeback. Very sad - we will miss you Ben. Regretfully, Trey
