“ *My deepest sympathy to all the family of Bernice. I remember her and Norman in my years growing up in Siloam Springs. I knew them through also a member of the church there in Siloam. She and Norman were great people. If you ever heard them speak of Ted and Areba Johnson, well I am their youngest daughter. Ted was a preacher at Gentry for several years starting the years I was in 10th grade and on.*

*May God give you much comfort and good memories at this your loss of a great lady.*

“ Since my Mother is in the Nursing Home where Miss Bernice was, our family saw her often. She always was so cheerful and upbeat and such a joy to visit. She loved to crochet and made really cute and different items. She once told me how much she loved her surroundings and as she put it "I don't have to clean house, cook or wash dishes". She was so pleasant even in her situation. What a joy to have known she and Mr. Norman from my early childhood. The testimony for Christ that your loved one has left behind will continue to reach out as a blessing to many. May you be comforted with many sweet memories of such a dear lady.

“ to all of the family---we are so sorry for your loss. Bernice was a wonderful lady who always had a smile & kind word for you. May your memories & God's love bring you peace, comfort & strength at this difficult time. Death leaves a heartache no one can heal BUT love leaves a memory no one can steal.

*Bernice was a great lady. She was always pleasant and enjoyable to visit with. She adjusted to living at a nursing facility better than anyone I have known, and always looked at the positive benefits of living there. She will be greatly missed. May God bless you with peace. I deeply regret that we will be out of the area and unable to attend her service.*
