“ Bert you were a very good friend and mentor to me these last 12 yrs. I can still here you saying peace is always better than chaos in life, it makes a person humble. That is something that I will never forget.

“ I'm the sister of Perry Morgan, Bert's friend from Kellyville High School, Kellyville, OK. My last visit with Bert at the school reunion he was speaking highly of Perry. Although Perry was several years older, I recall his praise for Bert as a friend and person. I know he will be missed by many, but he and Perry are visiting in heaven. Prayers for the entire family.
