“ Peggy and Family: It saddens me to hear of Bess' passing. May you cherish the memories that you have of her. May God comfort you during this difficult time.

Bess was "Grandma" to everyone. She was "Grandma", when I was in grade school....some 30 years ago. I was happy that she was John-Mark's Grandma at school. I remember her and Earl or my folks going to the others house on Friday or Saturday nights and playing cards. I will NEVER FORGET Bess keeping me when would Mom would take Dad to Dallas to the doctor. She loved me like I was her own child. That was Bess...she loved all those kids at school.
