“ I did not know Bette Affolter, but I do know and love, Karen, her daughter. If she was like her daughter at all, she was a very special lady! ...Fun to spend time with, easy to talk to, kind and loving, fun to spend time with and a good Christian person.

*I am SO sorry Karen, that you lost your mom. A very sad day indeed. Please know I am very sorry for your loss. I hope you can remember some wonderful times and take comfort in those moments. I can't wait for Heaven! It can't come too soon! Sending love and hugs! Heidi Wagner*
