“ *"Aunt Betty" was my dad's older sister and he loved her so much. We had lots of good memories visiting the cousins in Arkansas and I remember some water fights after milking the cows when a few hoses got carried away. The True cousins were always having fun. Betty had such a sweet and kind and positive nature and was so very special to so many kids, grandkids, great grandkids and more. Everyone loved her. I am so sorry to learn of her passing and did not know until today so please for give these belated condolences. Lee Ann (Vermillion) Freeze and Family from Utah* ”

“ My prayers go out to the family. I will cherish the memories that we made together. Went to Texas, Gulf Shores and lots of music. She loved to dance. She’s probably got her dancing shoes on now. I’m honored to have Betty as a close friend all these years !!

“ Betty was one of the nicest Ladies ever. She always had that pretty smile. She was very sweet and nice to be around. I haven't seen her in a while but I know that she was always so nice. Some of her family lived out by my husband and me. And I want you all to know how very sorry I am and I pray God's blessings on all of you at this very sad time. Pat Boyle
