“ Wanda,  
My thoughts and prayers are with you. This is a hard time of year to have to give up a loved one, especially your mom. We are never ready for that!  
Let me know if I can do anything for you or your family.

“ Betty,  
  
What a sweet smile and twinkling eyes. Betty never wanted to be a burden on anyone. She was greatly independant by nature. She was always someone to count on for optimism and a smile.

Church will lack one of it's brightest facets without her. God has a good one in Betty. Her pain is gone and she is now in better hands.
