“ To Larry and your family,  
So sorry to hear of the passing of your Mother. I never knew her, but want to send my sympathies as one of your fellow classmates of 1962. Our folks are gone too soon that is for sure. May good memories and God give you and yours much comfort.

“ I remember Betty, she was always nice to me! She would go out of her way to give me a hug no matter where I bumped into her. Then when my husband and I owned Rick's shoes in Springdale, she was a very good customer! We always had fun and talked about old times in Siloam. She was a great lady and will be missed.
