“ I'm saddened to hear of Aunt Betty's passing. I recall her gracious smile and gentle humor, when we'd visit - all the more remarkable, since we'd come for some great family event (weddings, usually), in which five things always seemed to happening simultaneously!

*The tribute video was great - brought back memories of Aunt Betty, Uncle Dean, Dee Ann and Lee.*

*She will be missed. Mary and I send our love and sympathy to the family.*

*Love,*

“ We are so saddened to learn of Betty's death from the KC Star Obit. Such happy memories come rushing in of all our wonderful times together when Lee and Kenny were little guys and best buddies. Also of Dee Ann and Patty on drill team and the many performances we watched. Betty and Dean have always meant so much to us and we enjoyed golfing with them at Dawn Hills too. Betty always knew the best thing to say to comfort in times of sorrow. I wish I had her gentle way of making people feel better with her sweet smile. Our condolences to Lee (my other kid), Daphne, Mandy and Megan whom Betty adored.
