“ I wait this long to write or say to you all. I didn't know what to say then and kinda now. I just know I miss her so bad I wasn't ready for her to go. Bev taught me alot but one thing for sure she showed me the biggest heart anybody has never seen. She may not have showed it alot but she loved and cared so much for all of you. I miss her but I will never forget her. I love you all.
