My Aunt Beverly was the kindest, sweetest person. When I was in grade school, she lived about a mile from my school. I would walk to her house on my lunch hour. She would make me soup for lunch and we would talk about my school day. She always did things for others. She was a beautiful person inside and out. As a child, I remember my sister Susan and I admired her and thought she was just so beautiful--when she babysat for us and would take us places, people would comment on what a pretty and nice Aunt we had. So true. Sharon
