“ *Didnt know Bill, but knew his mother and father well years ago. Eilene was my instructor in beauty school when it was located on Second street in Rogers Arkansas. I would spend time talking to Bill when he was in the school about " farm life" because it was something we had in common. Was sad when he passed but was so glad to see Eilene when I attended his service. Dont know if Eilene will remember me but she played a very important role in my life. After putting up with me and my craziness while going to school she helped me learn a trade that I still enjoy and still work at and its been 36 years. Please tell her how much I am indebted to her for that and how much she is still loved. So sorry for your families loss, you are in my prayers and thoughts. Sincerely, Debbie (Bowen) Trammell.*

“ *Kristi and family,  
My prayers and sympathy to all. Bill was one of my very best friends and I will miss him dearly. I have so many good memories of working with him at Gates and then there were always our "horse" adventures. The past few years we spent our time visiting on the phone to keep in touch. He made my life better for being my friend and my hope is that I did the same for him. May God bless you all.
