“ *Bill was a good friend and like a brother. He would do anything to help and always there in times of need. Couldn't have asked for a better partner in crime all those years we worked side by side, sometimes 7 days a week - thru good times and bad when our children were young. You will be missed and I pray for strength and comfort for Dewana and the girls and extended family during this very difficult time. Junior Stroud*

“ *Our love goes out to Dewana, Kristin and Steven, Kimberly and David, on the loss of your husband, father, and father-in-law.*

My husband Jim spent years trying to find real family members, and when he found Bill, it was like he had a reason to keep on going.

I can't tell you how much Jim enjoyed visiting you and meeting you all in Arkansas, it was probably the best thing that ever happened to him.

The news of Bill's sudden passing has left us very empty.

We are thinking of you all and praying your faith will bring you through this sad time.

Much Love-

We are Terribly Saddened by Our Loss and of Course Dewana's Loss.

Both Cynthia and myself are Heart Broken and of Course Bill's Nephew.

We know that all things work together for the good to the people that

Love God and to those who are called according to God's Purpose.
